In order to make up for the lack of a national class theater in Yunlin County, provide a superior performance environment for the performing arts team, and meet the needs of audience and performing activities, YunTech proposed to the Fengtai Cultural Education Foundation with the plan to upgrade the YunTech Auditorium Performance Hall to a national class one. In the end of 2021,

Yunlin County will have a high class performance hall at YunTech, name Yuntai Performance Hall.

The school has also established the YunTay Operations and Promotion Committee, providing excellent service quality for exhibition events. In addition to enhancing the cultural atmosphere on campus and in the community through the promotion of student club exhibition activities, the committee has formulated the "YunTech YunTay Performance Hall Venue Borrowing and Management Guidelines" to effectively utilize the facilities of the performance hall and promote the development of performing arts activities.
