The YunTay Performance Hall, formerly known as the school auditorium, is a reinforced concrete building with a fan-shaped architectural design. Initially, its primary function was as a lecture hall. In order to provide Yunlin County with a high-standard performance arts venue, the YunTay Performance Hall underwent a transformation in cooperation with the Feng Tai Cultural and Educational Foundation. Construction began in March 2020 and was completed in 2022. After the renovation, it became a multi-functional performance hall with a seating capacity of over 1,400 people. It also includes a large exhibition gallery and several dedicated offices for resident groups. The stage hardware has been expanded, featuring over thirty stage curtains, elevating it to the status of a national-level performance hall. **The exhibitions here are also free for the public.**
